

“Growing Sustainability”

A Permaculture & Community Development Internship
for Permaculture
Design Graduates

7 March – 4 April 2012

Tui Community, Golden Bay, South Island, NZ

Earthcare Education Aotearoa is excited to offer this hands-on internship style course for Permaculture Design Graduates right in the heart of an established 27-year old intentional community! This will be an opportunity to deepen and advance your permaculture design and sustainable living skills while experiencing living in community. Through dynamic group facilitation training you will also learn how best to inspire others in permaculture & sustainable living.

A 4-week residential, hands-on comprehensive course in sustainable land-use design, practical organic growing & whole farm management, sustainable living skills and facilitation training.

Tutors: Robina McCurdy and others

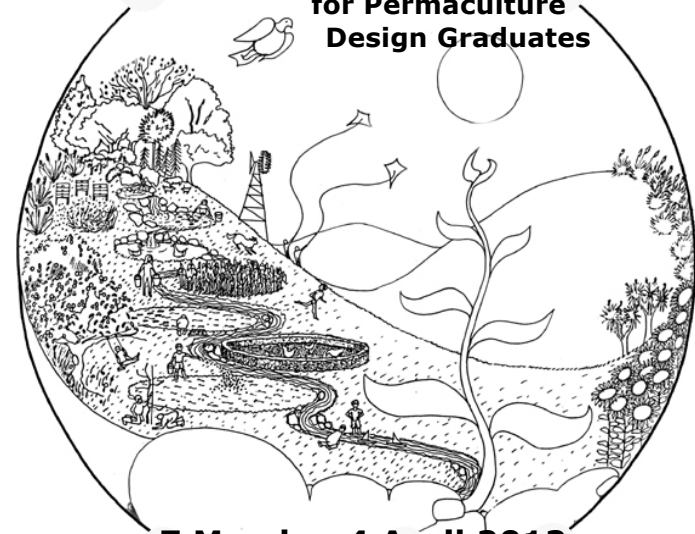

Investment: NZ\$ 1400/1200

To register & for info contact INNA: earthcarenz@gmail.com

ANCHOR YOUR KNOWLEDGE. **EXPAND** YOUR SKILLS. LEARN TO **INSPIRE**.
